The History of Amateur Radio and the Modern World in QSL Cards

QSL cards are a written record of past communication and events. This session will use QSL cards from a number of contributors to help document the evolution of Amateur Radio and commercial communication and highlight important historical events of the 20th Century.

Presenter: Dave Rawley N4XO and Brian Harrison KN4R

Restoration/ Preservation

Open Forum, question and answer session. "Stump the experts"

Radio and the Disappearance of Amelia Earhart

What role did Radio play in the disappearance and search for Amelia Earhart and Fred Noonan? A number of 1930s

receivers of the types used to listen for Amelia and Fred will be discussed and displayed.

Presenter: Brian Harrison KN4R

National "Moving Coil" Communications Receivers

In addition to the HRO, another series of receivers produced by National were very popular and accounted for a lengthy 13-year production history (1936-1949). The NC-100 family of receivers featured built-in "band-change" functionality that was much appreciated by the commercial operators and ham radio operators of the late thirties, the US Navy in WWII, and the Bureau of Air Commerce and the CAA before and after WWII. Post-war models included the NC-200 and NC-240s. This presentation will overview and demonstrate the various members of the NC-100 product line.

Presenter: William Culpepper W4BZ (assisted by John Runski K4JCR/Brian Harrison KN4R)

The Secrets of Volume Controls

Presenter: Vintage electronics parts dealer Mark Oppat calls himself the "King of Controls". Questions welcomed.

This is Mark's 22 consecutive trip to this event.

Auction Guidelines

Friday, March 27TH
1pm in Ballroom C/D

In General

- CCAWA makes no claims as to the ownership, authenticity or operating condition of any goods put up for sale. **WHAT YOU SEE IS WHAT YOU GET.**
- You must be registered for this CCAWA annual conference in order to participate as a buyer or seller.
- It is our intention to have volunteers on duty at all times that the auction preview room is unlocked. However; the hotel or the organizers of this conference will not be held liable for theft, loss or damages to property consigned for this auction.
- The Friday afternoon auction will be limited to **250 total** lots. You are advised to get your items consigned as early as possible.
- We hope to have the auction room open all day on Thursday and from mid morning Friday until the auction cutoff time of 12 noon.
- The Auction is scheduled to start at 1pm Friday afternoon.
- CCAWA charges the seller a 10% commission to help to defray costs of this conference. There is no buyer premium.

How to Consign An Item For Auction

- If you expect to auction more than 25 lots, you must notify us in advance.
- You may set a minimum bid you will accept for your goods.
- The auction committee reserves the right to refuse certain lots for auction.
- Your item (or box lot) must have a reasonable expectation of bringing a closing bid greater than \$35 in order to consign to this auction. Note: We have a \$35 Minimum.
- Get one "Auction Item Information Card" for each item or box lot you want auctioned. (Note our \$35 minimum lot value requirement.)
- Fill out the card and keep the bottom PINK sheet for yourself as proof of ownership should the item not make a minimum bid that you may elect to place on the item.

- We have drafting tape available for you to stick the YELLOW sheet to your item. If that does not work, we have string tags that you can staple to the YELLOW sheet so that the sheet will hang from the item.
- Give the top WHITE sheet(s) to the volunteer that places your items into the auction preview area. They will check to see that the form is filled out correctly.

Payment

- The CC-AWA is not able to accept any payment via any form of credit card, debit card or other electronic transaction. It is at the sole discretion of the auction cashier whether to accept payment in any form other than cash in US dollars.
- If you are not known by the cashier and wish to make payment by check or travelers checks, you must notify us in advance and receive acknowledgment that the cashier will accept your payment method.
