Membership in the Carolinas Chapter of the Antique Wireless Association (CC-AWA) is open to anyone with an interest in old (antique) radios.

Anyone who pays registration for the 2019 conference will automatically receive one year's membership in the Carolinas Chapter of the AWA. This is only chapter membership and does not include membership in the Antique Wireless Association. If you are already a paid member in the chapter, your membership will be extended one year.

Any correspondence, including any newsletters that are published, will be distributed electronically. Please make sure that the CC-AWA has a current email address on file.

A Message From The
CC-AWA President
Barker Edwards

Wow! The 2018 Antique Radio Charlotte has come and gone. Despite several major road bumps, the conference was one of our most successful ever. I want to thank everyone who participated as either an attendee, a seminar presenter or flea market vendor.

There will be a few tweaks to the meet in 2019. The venue will still include all your favorites: presentations and forums, flea market, auction & old equipment contest

- The Presentations and Auction will be moving to the Sheraton's West Wing, closer to the flea-market and the guest rooms.
- The Old Equipment Contest will be held in the Jr. Ballroom.
- The signing up for meals in advance will no longer be required. The hotel will continue to offer a buffet bar for both lunch and dinner throughout the meet.
- We are working on a terrific lineup of presenters and presentations for all day Thursday, and Friday evening

So please plan to arrive Wednesday March 20, 2019-and plan to stay at the Sheraton to be close to all the action!

Thank you for planning to attend in 2019!!!!

Respectfully,
Barker Edwards
